Summary of "Career Development" Institutions Available to Remediation Practitioners

	Institution of Civil Engineers (ICE)	Chartered Institution of Water and Environmental Management (CIWEM)	Institute of Environmental Management & Assessment (IEMA)	The Institution of Environmental Sciences (IES)	The Geological Society (GeolSoc)	Royal Society of Chemistry (RSChem)	Institution of Chemical Engineers (IChemE)	Institution of Engineering and Technology (IET)	Institution of Mechanical Engineers (IMechE)
Pitch	Lead the debates around infrastructure and the built environment and provide an unmatched level of training, knowledge and thinking.	Building a global community of water & environmental professionals dedicated to working for the public benefit	A worldwide alliance of environmental & sustainability professionals transforming the world to sustainability	Promotes and raises public awareness of environmental science by supporting professional scientists and academics working in this crucial arena	Improve knowledge and understanding of the Earth. Promote professional excellence and ethical standards in the work of Earth scientists, for the public good.	The world's leading chemistry community, advancing excellence in the chemical sciences. Working to shape the future of the chemical sciences – for the benefit of science and humanity.	Professional membership organisation for chemical, biochemical and process engineers and other professionals involved in the chemical, process and bioprocess industries.	Working to engineer a better world by inspiring, informing and influencing our members, engineers and technicians, and all those who are touched by, or touch, the work of engineers	Improving the world through engineering. At the heart of the mechanical engineering profession since 1847.
Graduate	GMICE IEng (non grad)	Grad CIWEM	Affiliate IEMA Grad IEMA	AMIEnvSci?	Candidate Fellow	Associate	TechChemE	Associate	AMIMechE IEng
Technician	EngTech ICE	Tech CIWEM	Associate IEMA	AMIEnvSci	not available?			TMIET	EngTech
Member Requirements	>3yrs experience + 2000words + CV (post nom "MICE")	>2years experience + 500 word history (post nom "MCIWEM")	Written submission + peer to peer discussion (post nom "MIEMA")	Completed form for either associate or member (same for both. Awarded on points based system (post nom "MIEnvSci")	Degree or similar in geology related subject or >6yrs experience (post nom "FGS", i.e. fellow)	>3yrs experience + 2 references (post nom "MRSC")	AMIChemE	MIET	MIMechE
Chartered Requirements	2000words + demonstrate 16 competencies + interview + Essay + 2 sponsors (post nom "CEng")	1000word + 4000word demonstrate competencies + interview + 2 sponsors (post nom "C.WEM")	As member + demonstrate competencies + 2 sponsors (post nom "CEnv")	As member + interview **OR** 1 day workshop (post nom "CEnv")	As fellow + demonstrate competencies + interview + 2 sponsors (post nom "CGeol" or "CSci")	As member + Impact in a field??? (post nom "FRSC CChem")	MIChemE		CEng
Higher Grade?	FICE (Fellow)	FCIWEM	but 'Managerial'		3yrs - 12yr	>5yrs		FIET	FIMechE
Contaminated Land Interest	BGA? (geotech) or CivEng groups	CLNet (400+), 1 of 8 networks	Branch system?	Land Condition, 1 of 5 speciality	Interest Group, recent start (current numbers?)	none visible
